

ENOTHE Marketplaces

Do you want to:

- Meet interesting people and organisations connected to OT and OT education in Europe
- Promote your college, programme, organisation or research and development project
- Connect, establish networks or collaborative projects with colleagues from all over Europe – and perhaps beyond

Then perhaps Marketplaces at the 2017 ENOTHE annual meeting are something for you:

- Designated 2-3 hour sessions in the programme, coordinated with breaks to encourage maximum opportunities for contact
- Open exhibition area with
 - space for displays and/or posters
 - space for open discussion groups
 - white boards and notice boards for advertising and developing ideas

How to participate

- Reservations - please fill out the registration form
- Informal and spontaneous participation – perhaps as a result of your experiences and contacts at the ENOTHE meeting you will wish to discuss ideas or gauge interest for projects. Spaces and/or notice board space will be made available. Bring your posters and other information material
