

## **Call on ENOTHE self-study online course for Ukrainian Occupational Therapy students**

ENOTHE announces the call to recollect educational videos and resources from different universities to support Ukrainian Occupational Therapy students. Upon the collaboration with the National University of Ukraine in Physical Education & Sport, the leaders of UKROTHE project (Drohobych Ivan Franko State Pedagogical University (DSPU), Khmelnytskyi National University, and Prydniprovsk State Academy) and ENOTHE member universities framed by Action for Peace, it was decided to create a self-study online course that will enable the Ukrainian students to complete their studies in the situation of war. We invite all universities to contribute with videos on the following topics:

<b>Theme</b>	<b>Topic</b>
Applied theory of Ergotherapy	<ul style="list-style-type: none"> <li>• Interviewing according to OT models (e.g., COPM-E)</li> <li>• MOHO and the use of the assessments</li> <li>• How to use OT assessment generally</li> <li>• Videos showing how OT works, some success stories when OT accompanied clients' recovery, etc.</li> <li>• Use of ICF</li> </ul>
Therapeutic skills and abilities of an Ergotherapist	<ul style="list-style-type: none"> <li>• Videos which teach some therapeutic skills and abilities of OT</li> <li>• Interprofessional collaboration</li> </ul>
Adaptive and assistive technologies	<ul style="list-style-type: none"> <li>• Videos on how to use adaptive/assistive technologies</li> </ul>
Hand therapy and splinting	<ul style="list-style-type: none"> <li>• Some videos about splinting</li> </ul>
Ergotherapy in mental health	<ul style="list-style-type: none"> <li>• Videos on how to treat PTSD</li> </ul>
Professional reasoning	<ul style="list-style-type: none"> <li>• Exercises on "professional reasoning" (CPPF)</li> </ul>

All complementary materials on the topics are welcome: exercises, assignments, references, etc.

All contributions from the universities will be acknowledged and the right of authorship respected to be used only for this concrete course and purposes upon the subscription control.

Please, send the videos, preferably in mp4 format, which can be edited. The videos should be in English or with subtitles in English/Ukrainian.

Please, send your contributions by **October 13<sup>th</sup>, 2022** to [info@enothe.eu](mailto:info@enothe.eu)

### **Volunteer students for translations of videos into Ukrainian**

The volunteers who are open to translating the videos into Ukrainian are welcome to express their interest at [info@enothe.eu](mailto:info@enothe.eu).

### **Books for the library**

If you appreciate donating any book on occupational therapy/occupational science practice or research to the university library, you can send it via postal mail to our postal address or [info@enothe.eu](mailto:info@enothe.eu)
