

OC-Tuning 2.0: Subject Area Qualifications Reference Frameworks for Occupational Therapy

MEASURING AND COMPARING ACHIEVEMENTS OF LEARNING OUTCOMES IN HIGHER EDUCATION IN EUROPE (CALOHEE)

Open Consultation

* Required

SECTION I: General description and informed consent

This is the Open Consultation on Subject Area Qualifications Reference Frameworks for Occupational Therapy. Please, make sure you are familiar with the content of all documents previously facilitated on the webpage.

The information is meant as input for the report on the qualifications reference frameworks / referent point documents for Occupational Therapy subject area involved in the CALOHEX project (see <https://www.calohee.eu/brochures/>), and related publications.

Data rights and confidentiality: The study follows the European Regulation (UE)2016/679 of the European Parliament on Personal Data protection (GDPR). The ENOTHE Tuning Task Force coordinators will create a digital folder to store all codified personal data and responses, informed consents included in the survey, and anonymous data transcriptions of the participants under a password to ensure ARCO-POL rights (rights of access, rectification, cancellation, and opposition). The co-coordinator will be responsible for the data treatment. Data will be kept in the ENOTHE Microsoft platform folders until participant revocation of authorization or until legal obligation. Information gathered from participants will be strictly anonymized. Only members of the Tuning Task Force team will have access under an identifiable user and password to guarantee accessibility and traceability. Data

will be saved using a systematic and efficient procedure following the FAIR principles of quality.

You are invited to complete survey regarding the Open Consultation on the qualifications reference frameworks. If you answer this survey, you agree with the purpose of this survey and the Open Consultation.
